Dance Out Engagements

Our dancers are pleased to perform for Community Events. If you have contact with an Event Planner, golf club or community group that is looking for entertainment, please consider putting the Celtic Dance Company name forward. As this is one of our fundraising projects, an honorarium is requested.

How Dancers Receive Competition, Workshop, and Costume Subsidies

All dancers at all levels are eligible to apply for dance subsidies. Approval of subsidies are based on the eligibility of the event, the number of subsidies requested in the year and the involvement of the **parents and dancers** in fundraising projects, events and performances. Involvement is tracked to ensure a fair distribution of funds. Please see the Competition, Workshop, Costume Subsidy Application Form.
